NOTES

1 Ensure trim compatibility prior to housing order. Conditions may apply.

2 TLW-XX wood trimless flange type is matched to trim finish. XX refers to trim finish code and must be specified at time of order. See trim spec sheet for color availability.

3 TLW-XX wood trimless ceiling thickness to be specified at time of order. Requires consultation with lighthouse sales personnel.

4 LE and S dimming is only available in 120V.

5 347V is only available in P dimming.

6 RCF option is not compatible with TLW-XX wood trimless ceiling.
